Forecast For Wales
Issued by Met Office Exeter
at 0400 on Monday 31 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine and dry, feeling warm with plenty of sunshine.

Today:
Any early cloud and hill fog will soon clear through the morning, leaving another warm and dry day with plenty of sunshine. Some fair-weather cloud bubbling up in the afternoon. Maximum temperature 23 deg C (73 deg F).

Tonight:
Staying dry overnight, with most seeing clear skies throughout; some patchy fog may form in prone spots. A breeze forming through the early hours, especially along southern coasts. Minimum temperature 9 deg C (48 deg F).

Tuesday:
Another warm and dry day with plenty of sunshine. Warmer than Monday for many, but feeling slightly cooler near southern coasts in the breezy winds. Maximum temperature 23 deg C (73 deg F).

Outlook for Wednesday to Friday:
Fine and dry to start Wednesday, but heavy and possibly thundery showers arrive through the afternoon. The odd shower still possible Thursday and Friday, but mostly bright and feeling fresher.
